Notes:

- 1 The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on June 12, 2020.
- 2 The standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3 With effect from April 1, 2019, the Company has adopted IND AS-116 using the modified retrospective approach and accordingly previous period information has not been restated. Under this approach, the Company has recognised lease liabilities and corresponding equivalent right-of-use assets. The application of IND AS-116 did not have any significant impact in the standalone financial results of the Company.
- 4 The Company is engaged in the business of manufacturing and selling of automotive and other components, which are monitored as a single segment by the chief operating decision maker, accordingly, these, in the context of Ind AS 108 on operating segments reporting are considered to constitute one segment and hence the Company has not made any additional segment disclosure.
- 5 The outbreak of COVID-19 pandemic and the resulting lockdown enforced from March 23, 2020 have effected Company's regular operations. The Company has made an assessment of its liquidity position for the next year and has assessed the carrying value of property, plant and equipment, investments, inventories, receivables and other current assets. In developing the assumptions relating to the possible future impact on the operations, the Company as on the date of approval of these financial results has used internal and external information which are relevant in determining the expected future performance of the Company. Based on the evaluation of liquidity position and recoverability of assets and other such estimates, the Company expects the carrying amount of Assets will be recovered. The impact of COVID-19 on the Company's financial results may differ from that estimated as on the date of approval of these financial results.
- 6 (a) The Company has carried out the annual impairment exercise for the year ended March 31, 2020 in respect of investment in its subsidiaries and basis valuation carried out by an external specialist, the Company has made impairment provision of Rs. 107.97 million towards investment in Luxlite Lamp SARL and Rs. 54.00 million towards investment in Trifa Lamps Germany GmbH.

(b) As on March 31, 2020, the Company has an investment of Rs. 979.49 million in Franklin Templeton Mutual Fund (FTMF), valued at Net Asset Value (NAV) as on said date. FTMF has voluntarily decided to wind up six of its fixed-income debt schemes effective April 23, 2020 and FTMF has communicated that NAV per unit will continue to be computed and declared as per the same accounting and valuation principles as done prior to April 23, 2020 without any change. In preparing the accompanying standalone financial results, the Company has made an assessment and made a provision of Rs.97.95 million on a best estimate basis, factoring regular updates given by FTMF, maturity profile of schemes and other factors such as historical yield, expected future returns from the underlying investments made by the funds etc.
- 7 The Board of Directors, at its meeting held on February 01, 2020, has declared interim dividend of Re. 0.75 (75%) per equity share (face value: Re 1/- each) and also, at the Board Meeting held on March 03, 2020, the Board has declared a second interim dividend of Re. 1 (100%) per equity share (face value: Re 1/- each) for the year. Board after careful assessment has confirmed the interim dividend as final. Total dividend paid during the year is thus, Rs. 363.66 million as against Rs. 209.81 million during the year 2018-19.
- 8 The employee benefits expense for the quarter ended March 31, 2020, is net of reversal of Rs. 46.97 million pertaining to share based payments recognised as a cost in previous period and reversed in quarter ended March 31, 2020 since no longer required.
- 9 On September 20, 2019, the Government of India vide the Taxation Laws (Amendment) Ordinance 2019, inserted Section 115BAA in the Income Tax Act, 1961, which provides domestic companies an option to pay Income tax at reduced rate effective April 1, 2019 subject to certain conditions. The tax expenses for the quarter and year ended March 31, 2020 have been provided for at reduced tax rate.
- 10 The figures of last quarter of current year and previous year are the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures for nine months of the respective year.

In developing the assumptions relating to the possible future impact on the operations, the Group as on the date of approval of these financial results has used internal and external information which are relevant in determining the expected future performance of the Group. In preparing the accompanying consolidated financial results, the Group has made an assessment and made a provision of Rs.108.53 million on a best estimate basis, factoring regular updates given by FTMF, maturity profile of schemes and other factors such as historical yield, expected future returns from the underlying investments made by the funds etc.
- 7 The Board of Directors, at its meeting held on February 01, 2020, has declared interim dividend of Re. 0.75 (75%) per equity share (face value: Re 1/- each) and also, at the Board Meeting held on March 03, 2020, the Board has declared a second interim dividend of Re. 1 (100%) per equity share (face value: Re 1/- each) for the year. Board after careful assessment has confirmed the interim dividend as final. Total dividend paid during the year is thus, Rs. 363.66 million as against Rs. 209.81 million during the year 2018-19.
- 8 The employee benefits expense for the quarter ended March 31, 2020, is net of reversal of Rs. 51.57 million pertaining to share based payments recognised as a cost in previous period and reversed in quarter ended March 31, 2020 since no longer required.

We have audited the accompanying statement of quarterly and year to date standalone financial results of Suprajit Engineering Limited (the "Company") for the quarter ended March 31, 2020 and for the year ended March 31, 2020 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2020 and for the year ended March 31, 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note 5 to the standalone financial results which describes the fact that the pandemic COVID-19 would cause various economic and social disruption to the Company impacting trade receivables and carrying value of all other assets, supply chains, consumer demand, commodity prices, personnel available for work and access to offices. The impact may be different from that estimated as at the approval of the financial results and the Company will continue to closely monitor any material changes to future economic conditions.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention

in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

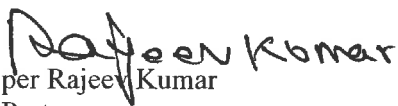

Other Matter

The Statement includes the results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.
